

## SEWER LATERAL CONTRACTORS

Stonycreek Township is making available the following list of contractors in order to assist residents with sewer lateral testing and/or work they may need to perform in conjunction with Stonycreek Township's sewer project and related ordinances. Stonycreek Township is not endorsing any specific contractor or making any specific representation or warranty regarding its/their qualifications, products, or workmanship. Stonycreek Township disclaims any liability that may be alleged to arise from the work of any contractor on any Stonycreek Township resident's property.

Stonycreek Township has not performed background checks on any of these contractors.

Contractors not included in the list below may be utilized for purposes of residents' sewer lateral testing and work, as long as they meet the Township's requirements set forth in Ordinance No. 657.
